1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/21/2006 has been entered.

***Allowable Subject Matter***

2. Claims 1-11 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Referring to Applicant's argument on page 10 of "Remarks", submitted on Feb. 16th 2006, none of prior arts of record fairly disclose Applicant's disclosure as explained in paragraphs beginning on page 24 line 7 of the specification in combination with other claimed limitations. Therefore, Wasilewski et al. and KAMBAYASHI et al. by themselves or in combination fail to disclose "second updating means for updating the type 1 key in the storage unit in accordance with the usage of the read main data, and second encrypting means for encrypting the new type 2 key using the updated type 1 key and replacing the encrypted type 2 key on the recording medium with the encrypted new type 2 key" in combination with other claimed limitations.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
